

# Raymond Blanc's Kitchen Secrets featuring watercress!

Legendary chef Raymond Blanc welcomes the cameras into his kitchen to share his cooking secrets. Filmed in the lively surroundings of his Oxfordshire restaurant kitchen, this series features a range of achievable and inspirational recipes for cooks of all abilities.

Watercress is featured in the “Winter Vegetables” episode in this series which will air on BBC2 on 15<sup>th</sup> March 2010 at 8.30pm.

Raymond Blanc visited The Watercress Company's Manor Farm in Hampshire in the late summer of 2009.

Raymond thoroughly enjoyed his time at the farm with Tom Amery, looking at how the crop is grown in fresh flowing spring water. He was very impressed by the quality of the watercress.

Although we are not yet sure which recipe will feature on the show, our money is on watercress soup!
