Dear *Charles*

DONATION OF £1200 TO THE JOE GLOVER TRUST

On behalf of our board of Trustees, the children and families that we help, I want to thank you for your generous donation of £1200 to our Charity.

The Joe Glover Trust is a non-profit organisation dedicated to providing help and services to children with cancer and their families. The support you have made will help us go a long way in helping us enable real help to these children.

We really enjoyed the watercress festival and extremely grateful of the opportunity to work with you on this event. The value of your choice to help our charity is truly valued and recognised by us.

Again on behalf of the Trustees, the families who have children with cancer, but above all, the heroes of the Trust, the children themselves, who remain a constant example and inspiration to us all! We thank you for your donation and it really will help put those smiles back on those children's faces.

Thank you so much,

Stevens
